INTRODUCTION

We have reviewed the accompanying statement of net assets of Gulf Finance Company (the "Company") as of 30 June 2023 and the related statement of changes in net assets for the six-month period then ended and notes to financial statements including a summary of significant accounting policies and other explanatory notes. Management is responsible for the preparation and presentation of these financial statements in accordance with the standard "Financial Reporting on the Basis of Liquidation: Principles and Requirements for Recognition, Measurement, Presentation and Disclosure" endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements issued by the Saudi Organization for Chartered and Professional Accountants ("SOCPA"). Our responsibility is to express a conclusion on these financial statements based on our review.

SCOPE OF REVIEW

We conducted our review in accordance with International Standard on Review Engagement 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", that is endorsed in the Kingdom of Saudi Arabia. A review of financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

CONCLUSION

Based on our review, nothing has come to our attention that causes us to believe that the accompanying financial statements are not prepared, in all material respects, in accordance with the standard "Financial Reporting on the Basis of Liquidation: Principles and Requirements for Recognition, Measurement, Presentation and Disclosure" endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements endorsed by the Saudi Organization for Chartered and Professional Accountants ("SOCPA").
